

JOURNAL OF THE HOUSE

Second Regular Session, 98th GENERAL ASSEMBLY

FIFTY-FIFTH DAY, TUESDAY, APRIL 19, 2016

The House met pursuant to adjournment.

Speaker Richardson in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

Beloved, follow not that which is evil, but that which is good. He that doeth good is a God. (III John 1:11)

O Loving God who hears our prayers and answers according to Your holy wisdom, to You we come in this silent moment of quiet devotion. We humble ourselves in Your presence, confessing that we have done that which we ought not to have done and left undone that which we should have done. Have mercy upon us, forgive us and send us out into this day with creative minds to think clearly, with hearts warm with love to spread happiness, and with hands ready to serve You more fully and our citizens more faithfully.

Help us to bridge the divides which separate us, to heal the festering sores which infect our political life, to foster unity among our people, and to promote cooperation between political parties and ideas.

Breathe upon us Your spirit; reveal to us Your ways and give us courage to walk in them to the glory of Your Holy Name now and forever.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the fifty-fourth day was approved as printed.

PERFECTION OF HOUSE BILLS

HCS HB 2345, relating to a connected vehicle technology testing program for trucks, was taken up by Representative Kolkmeyer.

Representative Rowden offered **House Amendment No. 1**.

House Amendment No. 1

AMEND House Committee Substitute for House Bill No. 2345, Page 1, In the Title, Lines 2-3, by deleting the phrase, "a connected vehicle technology testing program for trucks" and inserting in lieu thereof the phrase, "transportation of persons and property"; and

Further amend said bill and page, Section A, Line 2, by inserting immediately after all of said section and line the following:

"168.133. 1. The school district shall ensure that a criminal background check is conducted on any person employed after January 1, 2005, authorized to have contact with pupils and prior to the individual having contact with any pupil. Such persons include, but are not limited to, administrators, teachers, aides, paraprofessionals, assistants, secretaries, custodians, cooks, and nurses. The school district shall also ensure that a criminal background check is conducted for school bus drivers. The district may allow such drivers to operate buses pending the result of the criminal background check. For bus drivers, the school district shall be responsible for conducting the criminal background check on drivers employed by the school district. For drivers employed by a pupil transportation company, **a municipality, or any other entity** under contract with the school district, the criminal background check shall be conducted pursuant to section 43.540 and conform to the requirements established in the National Child Protection Act of 1993, as amended by the Volunteers for Children Act. Personnel who have successfully undergone a criminal background check and a check of the family care safety registry as part of the professional license application process under section 168.021 and who have received clearance on the checks within one prior year of employment shall be considered to have completed the background check requirement. A criminal background check under this section shall include a search of any information publicly available in an electronic format through a public index or single case display.

2. In order to facilitate the criminal history background check, the applicant shall submit a set of fingerprints collected pursuant to standards determined by the Missouri highway patrol. The fingerprints shall be used by the highway patrol to search the criminal history repository and shall be forwarded to the Federal Bureau of Investigation for searching the federal criminal history files.

3. The applicant shall pay the fee for the state criminal history record information pursuant to section 43.530 and sections 210.900 to 210.936 and pay the appropriate fee determined by the Federal Bureau of Investigation for the federal criminal history record when he or she applies for a position authorized to have contact with pupils pursuant to this section. The department shall distribute the fees collected for the state and federal criminal histories to the Missouri highway patrol.

4. The department of elementary and secondary education shall facilitate an annual check of employed persons holding current active certificates under section 168.021 against criminal history records in the central repository under section 43.530, the sexual offender registry under sections 589.400 to 589.475, and child abuse central registry under sections 210.109 to 210.183. The department of elementary and secondary education shall facilitate procedures for school districts to submit personnel information annually for persons employed by the school districts who do not hold a current valid certificate who are required by subsection 1 of this section to undergo a criminal background check, sexual offender registry check, and child abuse central registry check. The Missouri state highway patrol shall provide ongoing electronic updates to criminal history background checks of those persons previously submitted, both those who have an active certificate and those who do not have an active certificate, by the department of elementary and secondary education. This shall fulfill the annual check against the criminal history records in the central repository under section 43.530.

5. The school district may adopt a policy to provide for reimbursement of expenses incurred by an employee for state and federal criminal history information pursuant to section 43.530.

6. If, as a result of the criminal history background check mandated by this section, it is determined that the holder of a certificate issued pursuant to section 168.021 has pled guilty or nolo contendere to, or been found guilty of a crime or offense listed in section 168.071, or a similar crime or offense committed in another state, the United States, or any other country, regardless of imposition of sentence, such information shall be reported to the department of elementary and secondary education.

7. Any school official making a report to the department of elementary and secondary education in conformity with this section shall not be subject to civil liability for such action.

8. For any teacher who is employed by a school district on a substitute or part-time basis within one year of such teacher's retirement from a Missouri school, the state of Missouri shall not require such teacher to be subject to any additional background checks prior to having contact with pupils. Nothing in this subsection shall be construed as prohibiting or otherwise restricting a school district from requiring additional background checks for such teachers employed by the school district.

9. A criminal background check and fingerprint collection conducted under subsections 1 and 2 of this section shall be valid for at least a period of one year and transferrable from one school district to another district. A school district may, in its discretion, conduct a new criminal background check and fingerprint collection under

subsections 1 and 2 for a newly hired employee at the district's expense. A teacher's change in type of certification shall have no effect on the transferability or validity of such records.

10. Nothing in this section shall be construed to alter the standards for suspension, denial, or revocation of a certificate issued pursuant to this chapter.

11. The state board of education may promulgate rules for criminal history background checks made pursuant to this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after January 1, 2005, shall be invalid and void."; and

Further amend said bill, Page 2, Section 304.044, Line 40, by inserting immediately after all of said section and line the following:

"304.060. 1. The state board of education may adopt rules and regulations governing the use of other vehicles owned by a district or operated under contract with any school district in this state and used for the purpose of transporting school children. The operator of such vehicle shall be licensed in accordance with section 302.272, and such vehicle shall transport no more children than the manufacturer suggests as appropriate for such vehicle. The state board of education may also adopt rules and regulations governing the use of authorized common carriers for the transportation of students on field trips or other special trips for educational purposes. Every school district, its officers and employees, and every person employed under contract by a school district shall be subject to such regulations. The state board of education shall cooperate with the state transportation department and the state highway patrol in placing suitable warning signs at intervals on the highways of the state.

2. Notwithstanding the provisions of subsection 1 of this section, any school board in the state of Missouri may contract with any municipality for the purpose of transporting school children. Municipalities entering into any such contract shall comply with the requirements of this section and sections 162.064, 162.065, 168.133, and 307.375.

3. Any officer or employee of any school district who violates any of the regulations or fails to include obligation to comply with such regulations in any contract executed by him on behalf of a school district shall be guilty of misconduct and subject to removal from office or employment. Any person operating a school bus under contract with a school district who fails to comply with any such regulations shall be guilty of breach of contract and such contract shall be cancelled after notice and hearing by the responsible officers of such school district.

2. 4. No deduction shall be allowed under this section until the department determines that the number of full-time equivalent employees of the taxpayer in the taxable year the deduction is claimed exceeds the number of full-time equivalent employees of the taxpayer in the taxable year prior to the taxpayer incurring any eligible insourcing expenses.

2. For all tax years beginning on or after January 1, 2017, a taxpayer shall be allowed to claim a tax credit against the taxpayer's state tax liability in an amount equal to fifty percent of the taxpayer's contribution to a qualified organization.
